Posted by Editor on 2nd April 2011 at 04:42 PM Snowbird, Utah Snowbird Ski and Summer Resort is experiencing one of the best spring seasons in memory thanks to 3 feet of snow in the past week and a mid-mountain base depth topping 13 feet! With additional snowfall forecasted through the weekend, après fun and Easter activities throughout April and some of the best lodging deals of the season, it's not too late to squeeze in one more ski trip to the Bird.
